

COTTESLOE PRIMARY SCHOOL

COASTAL PLANTING PROJECT

Our group members: Josh Joseph Gareth Lily Talari ^{Ellen} Amy Rami

Our plant is called: Cushion bush

Describe these features of the plant:

- Colour whitely grey
- Texture soft
- Leaves little thin leaves
- Flowers tiny
- Seeds/berries none

Our plant will grow well in the dunes at Cottesloe because:

It has strong roots and doesn't need soil

Sketch a picture of your plant here, showing all the important features:
